

IPL-2017 Story

Let's start at the Toss : Teams Show a Propensity for Fielding First : But does it really matter?	Teams Batting vs Fielding First. The best teams consistently win irrespective of the Toss.	How Batting Teams Fare?
---	--	-------------------------

Teams have a propensity for fielding first. A score on the board to set sights on, is better than runs to bank upon

Result is slightly tilted in favour of the chasing Team
